4222 160th Street East, 55068, Rosemount, MN

Date posted
July 24, 2026

Description

At Hometown Dog Boarding, we're redefining what dog care should feel like. We believe every dog deserves a calm, comfortable, and personalized experience—not a traditional kennel. Our small, close-knit team is passionate about creating a home-away-from-home where dogs are treated like family. As we expand our grooming services, we're looking for a groomer who shares our commitment to quality, compassion, and exceptional customer service.

We're seeking an experienced, caring, and dependable Dog Groomer to join our growing team. Whether you're looking for hourly pay or commission, we offer flexibility and the opportunity to help build a grooming program that reflects the same high standards our boarding clients already know and trust. This position is perfect for someone who values quality over quantity, enjoys building relationships with pet parents, and wants to work in a positive, supportive environment.

What You'll Do

- Perform professional grooming services including baths, haircuts, nail trims, ear cleaning, de-shedding, and breed-specific styles.
- Prioritize each dog's comfort, safety, and overall well-being throughout the grooming process.
- Communicate with pet parents to understand their grooming goals and educate them on coat care.
- Identify and report any health concerns or skin issues noticed during grooming.
- Maintain a clean, organized, and sanitized grooming area.
- Work alongside our boarding team to provide a seamless experience for every guest.
- Help grow the grooming department through exceptional service and client relationships.

We're Looking For Someone Who

- Has professional grooming experience
- Can safely groom dogs of various breeds, sizes, and coat types.
- Is patient, kind, and confident handling dogs with different personalities.
- Has excellent communication and customer service skills.
- Works well independently while being a supportive team member.
- Takes pride in producing high-quality grooms.
- Shares our passion for treating every dog like family.
