Now hiring an experienced Bather and Pet Groomer to join our paw-some team. We are a neighborhood salon with 6 grooming tables that prioritizes safety and quality, scheduling one pup per groomer/bather at a time. We have a fabulous retail/scheduling team that manages all the booking requests so our grooming staff can focus on pampering pups. We value quality over quantity; there is no quota or pressure.

- Communicate with pet parents to achieve desired results
- Educate pet parents on coat maintenance and recommended grooming intervals to maintain healthy skin and coat and desired length
